

Jeff Purcell

Controller

Jeff Purcell, as an independent CGA, has provided accounting, income tax, consulting, business advisory and controllership type services to Fairwyn and its development projects since 2001.

Services include preparation of financial statements, corporate income tax planning & reporting, cash flow projections and other controllership type functions to the group of companies. Jeff also assists in the preparation of monthly accounting for Fairwyn development projects, including progress and billing reports.

Prior to 2001, Jeff was controller for Nova Learning Inc. and Fairwyn Developments and was responsible for all financial and administrative matters for the companies. Previously, he held accounting positions with the Province of Nova Scotia and Grant Thornton, Chartered Accountants.

Jeff also has a Bachelor of Commerce from Saint Mary's University in addition to his accounting designation.
